Templeton FFA Swine AET Entries

Once your project is set up and your Business Agreements (Penicil) are done you may begin logging your hours

You should have the following Journal Entries:

- 1. One monthly entry for feeding, watering and walking pig. Approximately 1 hour per day. 30-31 HOURS
 - a. **Example**: For the month of April, I fed my pig twice daily, checked his water, and walked my pig daily for 30 minutes. <u>Date</u>: Last day of month
- 2. One monthly entry for cleaning your pig/pen Approximately 2 hours/week 8-10 HOURS
 - a. **Example**: In May, I washed my pig and deep cleaned his pen twice a week to ensure he had a clean and healthy environment. I also scooped out wet shavings and poop daily. Date: 15th of month
- 3. One entry for Showmanship Day 8 HOURS
 - a. **Example**: Today I showed my pig in showmanship. I placed 4th in my class. I watched the other shows and cleaned my pig before and after his show. <u>Date</u>: Last Thursday of July
- 4. One Entry for Market Day 8 HOURS
 - a. Example: Today I showed my pig in my market class. He placed 2nd in his class of dark crossbreds.
 I watched the other shows and cleaned my pig before and after his show. <u>Date</u>: Last Tuesday of July
- 5. One entry for Auction Day 8 HOURS
 - a. **Example**: Today I sold my pig in the auction. I sold him for \$9/lb to Farm Supply Company. I watched the rest of the auction and cleaned my pig before and after his show. <u>Date</u>: Last Saturday of July
- 6. One Entry for Weigh In Day 8 HOURS
 - a. **Example**: Today I weighed my pig to confirm he was market ready. I also got my pen and tack set up. <u>Date</u>: Last Monday of July
- 7. One entry for barn duty on non show/auction days 8 HOURS
 - a. **Example**: Barn duty over the week of fair. Checked waters and cooled down pigs. <u>Date</u>: Last Wednesday or Friday of July

You should have the following **<u>Financial Entries</u>**:
